

New for July 2019:

Feature: Student Power Search Bar

- **Location: Top of Fair Director and Teacher Dashboards**
- **Action: Find students quickly by last name, searches your entire jurisdiction and history, includes inactive or hidden students who are waiting on parental approval or have accounts from last year.**
- **Usage:**
 - **Recover passwords for a student from a previous season**
 - **Find a parent signature link for a student who's parent didn't get the e-mail**
 - **Edit profile or login as student**

Updates

1. Email lists tool: List of winning students can now be generated before you have finalized
2. Student lists now display username of student, can be used to find students.
 - a. Example of usage, school has their own student id for each student
 - b. School tells students to use their school assigned student id as their username
 - c. Teachers and fair admins can now search for a student by his/her school assigned student id.
3. Gender "other" has been added to profile questions
4. Student Lists: School Fair Admins can now see who the teacher is in the student lists
5. Current season now displayed on Fair Admin Dashboards
6. 2019 Rules and Forms:
 - a. 2019 ISEF Forms and Rules update
 - b. Qualified Scientist Form 2 now required for ALL PHBA projects
